Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information about the continuous improvement goals and educational progress of Cooper Upper Elementary School based on 2016-17 assessment results. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me, Shalonda Owens, Principal of Cooper Upper Elementary School, for assistance.

The AER is available for you to review electronically by visiting the following web site <http://cooper.livoniapublicschools.org> or you may review a copy in the main office of our school.

Schools have been identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA) based on their 2016-17 State Testing Results. A Target Support and Improvement (TSI) school is one that has at least one underperforming student group. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it that are required by state law. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district's parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education. Based on this data, our school has identified underperforming subgroups of students, including economically disadvantaged students for whom additional intervention and support is needed in order to increase their proficiency and to close the achievement gap in the targeted areas. In order to accelerate student achievement, Cooper Upper Elementary has put in place a multi-tiered system of support that provides supplemental instruction to our most at risk students through our Title I literacy and math support groups during the summer and throughout the school year, including before school math club. In addition, we will be addressing the achievement gap for our economically disadvantaged students by providing ongoing professional development on teaching students of poverty. Finally, continuous analysis of formative assessments to determine the needs of all students, followed by the provision of targeted learning intervention to students in need is being undertaken to close persistent gaps in achievement. These initiatives are intended to accelerate the student achievement of subgroups, including the state's Bottom 30%, that are not meeting our school's proficiency targets.

Our collaborative efforts positively impact our school's success and student achievement.

Sincerely,

Shalonda Owens, Principal

2. All Cooper students will be proficient writers in all content areas.
3. All students will be proficient in Mathematics
4. All students will experience a positive, safe, and welcoming environment, where both students and adults respect and value one another.

Our goals for 2016-17 school years were:

1. All Cooper students will be proficient in basic math computation with precision and fluency.

## **PARENT TEACHER CONFERENCES**

One of the most important factors in success in school for a child is the involvement of the parent or guardian in the educational process. Parent-teacher conferences were attended by 93% of our parents during 2016-2017 and 89% of our parents during 2015-2016. Cooper Upper Elementary parental involvement also includes attendance at our Curriculum Nights, Art Fair, Vocal and Instrumental Music Concerts, Title I, and The Leader In Me events. # **BOARD POLICY**

**IDD**

## **INSTRUCTIONAL PROGRAM PARENT INVOLVEMENT**

**JUNE 20, 2011  
Reviewed 5/2014**

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District's educational programs. It is recognized and appreciated that parents/guardians are the "first teachers" of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) participation that may include, but not be limited to: The development and review of instructional materials; input on the ways that the District may better provide parent(s)/guardian(s) with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to instruct parent(s)/guardian(s) how to become more involved in their child's educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District's Parental Involvement plan to all parents.
